**This is NOTAM Text so Times are in UTC/GMT so add 1 hour for BST/Local Time --- MAPS NOW IN LOCAL TIME (No adjustment)**

Messages

New format Maps mean you can zoom in and out to your hearts desire, each waypoint has a time attached as a label, hopefully these will be a lot better even if its taken me over a year to figure out how to do them! THE KEY: PINS are Waypoints CIRCLES are Flypasts and SQUARES are Displays

Sorry about the [Location] [Lat/Long] [Time] format, its exactly as filled, its just a bit scruffy on this document unfortunately

You can now donate on our website, visit:
